Technical drawing of a mechanical assembly. The assembly consists of a base, a coiled spring, and a rectangular upper block. The base is a semi-circular shape at the bottom. The spring is a coiled helical spring connecting the base to the upper block. The upper block is a rectangle with a dashed outline indicating internal features. Dimensions are indicated by dashed lines and arrows: a vertical dimension of 2.31 on the left side, and two horizontal dimensions of 0.8 on the right side, one for the top section and one for the bottom section of the upper block.
